The L & N employes on the K. C.  
division were glad by the passing  
of the pay car on last Saturday.

Sale ready to be published. List at  
once, we have the buyers.

#### Chief Herron In Richmond.

Chief of Police Luther E. Herron  
went to Richmond Tuesday morning to  
attend Federal Court. He took with  
him two colored boys as witnesses in  
the case against Fred Emerson, alias  
"Pottsy" charged with selling whiskey.

#### Confederates Apply For Pensions.

Six Confederate soldiers and the  
wives of three Confederate soldiers  
have executed papers in the county  
court and will make application for  
pension under the act enacted by the  
recent legislature granting pensions to  
survivors of the Lost Cause and their  
widows.

#### Both Claim Them.

Lancaster and Harrodsburg continue  
to claim the same dates for their fairs,  
and each refuses to change. It seems  
that this could be arranged and both be  
greatly benefited.—Danville Messenger.

We are sorry to appear contrary, but  
we have held our Fair on these dates  
so long that the Fair going people of  
Central Kentucky have come to expect  
the Lancaster Fair on those dates and  
we cannot afford to disappoint them,  
besides we had booked enough stock to  
make a good Fair on those dates be-  
fore Harrodsburg decided to claim  
them.

Hon. W. S. Burch, candidate for  
Commonwealth's Attorney is spending  
this week here talking with the voters  
and is making many new friends.

#### Mr. Ferguson Home Again.

Col. W. S. Ferguson came down  
from Covington on Monday to spend a  
time on his farm, his recent visit hav-  
ing proven so beneficial that he con-  
cluded to come and make a longer stay.  
Mr. Ferguson has been finally dismissed  
from the hospital and the care of his  
physician, and is on the road to com-  
plete health and strength.

#### County Convention.

A Democratic Mass Convention will  
be held in Lancaster on Monday May  
27th for the purpose of choosing dele-  
gates to the State Convention to be  
held in Louisville on Wednesday 29th,  
where delegates will be chosen to the  
National Convention to be held in Balti-  
more. The basis of representation is  
to be one for each 200 and fraction cast  
for W. J. Bryan in 1908.

#### W. C. T. U. Convention.

The W. C. T. U. district convention  
promises to be an exceedingly interest-  
ing meeting. Although a district con-  
vention, all of the state officers will be  
present. On the evening of May 1st,  
at the Christian Church, there will be  
a Declamatory Contest. Six young  
men from Wilmore will speak for a  
silver medal. The music will be excel-  
lent. No admission at the door but a  
free will offering to defray expenses.

#### Notice To Contestants.

It is not permissible to solicit the  
discontinuance of the paper by one mem-  
ber of the family and another member  
of the same family to subscribe for the  
paper with a view of securing a greater  
number of votes for the contestant  
soliciting the business. In cases of  
this kind the contestant will be entitled  
to, and will only receive the number of  
votes given when a party pays up an  
old subscription. This rule will be rig-  
idly enforced.

#### Saulley Announces.

Mr. Shelton Saulley, Editor of the  
Interior Journal, has announced  
through the columns of his paper that,  
should there be no change in the  
present condition of affairs, he will be  
a candidate before the people of Lincoln  
county at the primary election in Aug-  
ust 1913 for the nomination for the  
Legislature, subject to the action of  
the democracy. While it would be a  
blow to journalism to lose brother  
Saulley from its ranks, yet if he would  
make one half as good a lawmaker as  
he does an editor, the good people of  
Lincoln county would do well to give  
him not only the nomination, but the  
election.

#### County Court.

A large crowd was in town Monday,  
attracted for the most part by the  
horse show, and because of the fact  
that the rain Sunday night rendered  
the ground too wet to work. Very  
little trading was indulged in and what  
transfers were made was of low grade  
offerings. There was about 35 or 40  
head of "rough stuff" at the stock  
pens, all of which changed hands at  
the prevailing prices. Capt. Ambrose  
Bourne reports the sale of a pair of  
aged mules for \$280, a sow and eight  
pigs for Sam Johnson to A. H. Bastin  
for \$35.00, 12 sheep for John Beasley  
for \$3.30 each and a number of plug  
horses at prices ranging from \$40. to  
\$80.

#### Colored School Closes.

The Lancaster Colored School closed  
its Spring Term on last Friday. The  
exercises incident to the closing of the  
school will not be held until May 24th.  
This is made necessary by the fact  
that the graduates must stand an ex-  
amination before the County Board of  
Examiners, which examination does  
not take place until May, when all who  
pass will receive Common School Di-  
plomas and will graduate. The Lan-  
caster Colored School is in a flourishing  
condition, and under the care of Prof.  
J. H. Burns as Principal and Miss Dora  
Beverly of Alabama and Miss Isabel  
Overstreet of this city has experienced  
one of the most profitable years of its  
existence. The enrollment for the year  
was 152 pupils and the average weekly  
attendance was 87.

Lancaster, Ky., April 24th 1912  
Whereas, Mr. W. C. Wynn, Chair-  
man of the Garrard County Republican  
Committee, has failed to issue the call  
for the reorganization of the Garrard  
County Republican Committee on May  
4th, 1912, in pursuance to the call of  
the State Central Committee, and this  
being the last day the call can be issued  
Therefore, we, John Green, Sam  
Prather, Ed Eason, G. M. Patterson,  
Alex Walker, and W. H. Fayne, mem-  
bers of said Garrard County Republi-  
can Committee, and a two-thirds major-  
ity of said committee, do hereby, in  
pursuance to the said call of the State  
Central Committee, call the Republi-  
cans of Garrard County to assemble at  
their respective voting places on May  
4th, 1912, at 1 o'clock p. m. standard  
time, for the purpose of electing a pre-  
cinct chairman to serve the ensuing  
four years.

The form of voting at said precinct  
conventions shall be vive voca.  
SIGNED—John Green, Sam Prather,  
W. H. Fayne, Ed Eason, G. M. Patter-  
son, Alex Walker. Members of the Gar-  
rard County Republican Committee.

Holding Their Places And  
Settling Down To Ear-  
nest Efforts To Secure  
Enough Votes To Insure  
Them Good Positions.

The past week has been a busy one  
with the contestants, and their efforts  
were fruitful of good results. Many of  
them were in town court day seeking  
to further their cause and they met  
with good success. The leader in the  
town contest has already passed the  
100,000 mark with several pressing  
close behind her, and with good chances  
to pass her, if for a short time she  
should relax her efforts. No efforts  
are being spared and every one who  
makes a purchase or subscribes to or  
pays up a subscription to the Record is  
importuned to cast his ballots for one  
or another of the candidates.

#### "Dog-wood Winter".

We have been experiencing several  
days of what old residents term "Dog-  
wood winter", and it was exceedingly  
unpleasant after the few warm days to  
which we were treated. The recent  
snap was accompanied by frosts and  
upon one or two occasions ice, and  
proved exceedingly uncomfortable.

#### Postoffice To Move.

On May 1st the postoffice will remove  
from its present site to the Thompson  
building on Danville street, formerly  
the J. C. Thompson Jewelry Store.  
This building is much more suitable to  
the purposes of the postoffice than the  
present location, being equipped with  
a fire proof vault, and is equally as con-  
venient to the public. The new build-  
ing has been thoroughly overhauled,  
newly papered and painted, and will  
present an attractive appearance.

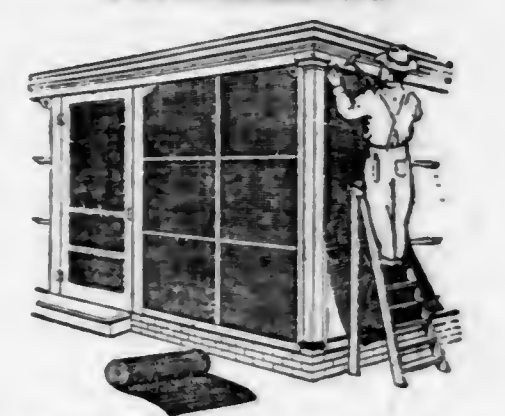

## Screen Doors

Note the plain,  
simple, yet  
elegant design  
of this door.  
It is the Black  
Prince—the  
Prince of all  
screen doors.  
Black because  
finished with  
three coats of  
black enamel  
paint, giving that rich and  
elegant ebony finish.

The frame of this door is  
made of the highest  
grade material and is  
put together by hand.  
Every mortise and tenon  
fits accurately. Notice  
that it has two stiles or  
cross bars placed low to  
protect the wire.

The economy of this door  
is in its lasting qualities.

## SCREEN YOUR PORCHES

You know and appreciate the  
value of door screens and  
window screens, but have  
you considered how very  
comfortable the porch would  
be this summer if screened?

Call and let us explain the value  
of the different kinds of screen  
wire, such as the black, the  
galvanized, the bronzed.

By the way, bronze wire is be-  
coming more and more popu-  
lar. The price is lower than  
ever before by almost half.  
The copper wire cloth lasts  
indefinitely as it never rusts  
under any circumstances.

without showing in the surface, that it is almost impos-  
sible for the average man to detect these faults. Here is  
where our clothes excel. We buy only from the best  
manufacturers, whose methods we know, whose reputa-  
tion is unquestioned. We sell you our clothes only with

The "Titanic", deriving its name from the Titans, mythological people fable as the children of earth and sky, and embodying enormous size and strength, was supposed to be indestructible; her destruction seems to but exemplify the feebleness of the works of man in the hands of the Almighty, for when the crucial test came, she crumbled in His hand like an eggshell. Queen of the Seas, enormous in size and strength, so sure were her owners of her strength and power to withstand the danger which beset sea going craft that they did not deign even to equip her with the life saving equipment which is the adjunct of every craft that goes upon the great waters. The toll that was paid for this criminal negligence was the loss of 1632 precious lives, lives that might have been saved had the owners of the vessel not overrated her ability to withstand the elements and provided her with sufficient of the modern life saving appliances with which all modern vessels are supplied. The destruction of the Titanic and the resultant terrible loss of life, serves but to demonstrate the fact that He holds us all in the hollow of His hand.

A new chapter has been written in the annals of heroism. Search history, fiction, tales of heroism on land and sea and all sink into insignificance, and the name of Major Archibald Butt rises preeminently above them all. Standing upon the deck of a sinking ship, by the might of the manhood which was in him by inherent right, he readily showed that he was a man among men, and peril and great danger, strong, brave, chivalrous, smiling in the face of sure death, he went to his death cheerfully, striving to save the life of those around him. In the crucial hour when all was chaos and confusion, when the first law of human nature, self preservation was predominant, and men were turned into raging beasts, he held to his appointed post, and by both will power and main strength, saw to it that the weaker, the women and children were safe in life boats and himself going willingly to a watery grave, he is the most striking illustration of heroism the world has ever known.

Alabama instructed her forty eight delegates to cast the 21 votes of the state for her favorite son at the democratic National Convention, and commended him to her neighboring states in the following glowing terms. "Alabama confidently calls upon the Democrats of her sister states who have for well nigh a century joined with her in the battles for Democratic principles to place the standard of Democracy and popular government in the unswerving hands of Oscar W. Underwood."

The New York Herald's recent statement that Wilson was losing ground while Clark was gaining rapidly, was true, and the trend of public opinion is rapidly veering to the stalwart Missourian. Clark swept Nebraska in the recent primary and Hon. W. J. Bryan will head the list of National delegates from that state. In nearly every state where primaries have been held and the followers of Mr. Clark have made an aggressive fight, their efforts have met with success.

The followers of Col. Roosevelt are in fine feather over the recent achievements of their champion, and the Taft adherents can find but little consolation in the happenings of the past week. The Col. swept Nebraska and Oregon, and gained about four delegates to Taft's one in West Virginia. Massachusetts will be the next battle ground, and the battle is now waxing warm in that state.

The Democratic State Executive Committee in session in Louisville Saturday decided upon Louisville as the place for holding the state convention and May 29th as the date upon which it shall be held.

## Prizes in Boys Corn Club Contest.

The following prizes will be awarded in the Boys Corn Club Contest, and in addition to the state, which have been heretofore published:

To the boy in the county who raises the greatest amount of corn on one acre, \$20.00 IN GOLD, donated by Mr. Banks Hudson of the firm of Hudson and Hughes; second prize a boy's saddle, donated by Messrs J. R. Mount Son & Co.; third a bridle donated by Haselden Bros. To the boy raising the best bushel of corn on one acre, \$10.00 IN GOLD, donated by the Garrard Milling Co.; second prize, a pair boy's high top shoes, donated by Joseph Mercantile Co.

To the boy growing the best ten ears, \$5.00 IN GOLD, donated by Mr. Banks Hudson of the firm of Hudson & Hughes; second prize, a \$3.50 hat donated by Mr. H. T. Logan.

All work must be done by each boy in producing his acre of corn unless incapacitated by illness temporarily.

Each boy shall keep an exact account of expense, estimating labor of boy at 75 cents per hour, each team hitched to implement at 20 cents per hour, each single horse and implement at 10 cents per hour and rent of land at \$5.00 per acre.

Land must be measured and yield certified to under oath by three disinterested parties before a Notary Public or other officer authorized to administer oath.

Any representative of the Department of Agriculture must upon request be shown the acre of ground entered by boy.

All rules of contest heretofore published must be adhered to. This information will not be published again, and boys are advised to preserve these instructions for reference.

## Dolan Gets Third Mistrial.

A jury in the Fayette Circuit Court on last Saturday disagreed as to a verdict in the case of the Commonwealth against Thomas Dolan charged with the killing of Patrick Mooney in the lobby of the Leland Hotel over a year ago. This is the third trial Dolan has had, each time the jury disagreeing. Dolan was admitted to bail in the sum of \$10,000 which he gave.

## Mr. Steve Walker Improves.

The many friends of Col. W. S. Walker, who is in a hospital in Lebanon, will be gratified to know that favorable reports are finding their way back home as to his condition. He was sufficiently improved on last Sunday to be able to take a ride, and everyone back here in Garrard is hoping that his improvement may continue, and that he may reach a permanent recovery.

## House Destroyed By Fire.

The residence belonging to Mr. John Pepples of Stanford, and which is located across the line in Lincoln near the home of Senator Hubble, was destroyed by fire on last Saturday night. Mr. Pepples lives in Stanford, and the house was occupied by a colored caretaker, who was away from home when the fire occurred. The origin of the fire is unknown. The house was a neat two story structure and was almost in ashes before it was discovered.

## Will of Mrs. Farris Probated.

The last Will of the late Mrs. Eliza V. C. Farris was admitted to probate in the county court on Monday. The instrument was made on the 11th day of November 1911, and was witnessed by Messrs E. W. Harris and Capt. William Herndon, the latter gentleman being named as executor. Mrs. Farris devised that after the payment of her debts, one half of the residue of her property should go to Mrs. Hallie Dunlap, and the remaining one half to little Mary Owsley.

## Famous Pacing Horse Dies.

Mr. James I. Hamilton is mourning the loss of his famous pacing horse "Starlight." For many years Mr. Hamilton has utilized this horse as a buggy animal, and had become greatly attached to him, and he is inconsolable over his loss. The horse died with the disease which has caused the demise of so many good animals in the county during the last few months, the most plausible reason of the disease being ascribed to eating decayed corn.

## Spring Lambs.

It will not be a great while before the annual shipment of Spring lambs will begin, and Garrard county will furnish her quota to the markets. One buyer tells us that he has already engaged one thousand lambs at 65 cents, and this seems to be the prevailing price. Owing to the extremely severe winter which we experienced, the lamb crop will be below the average in both quantity and quality, many of them freezing to death and others being stunted. However, the sheep industry in this county is on the increase, and with anything like a reasonably open winter, Garrard will compare favorably with any county in the Blue grass in the number and quality of lambs marketed.

## The Picture Show.

The local Picture Show certainly deserves the liberal patronage of the people of Lancaster and Garrard county. Mr. Romans has kept the house open through the dull season, during all kinds of weather, in spite of the fact that the patronage oftentimes did not justify a performance, and is always careful to provide the very best attraction possible. The line of films which he is running are new and up-to-date, and are wonderfully interesting, attractive and instructive. The prices are reasonable and one may attend every night in the week for what it takes to attend one night performances some places, where the attraction is of much less benefit. He has recently installed an orchestra, and the music alone is worth the worth the price of admission. The house is comfortable, good opera chairs, plenty of room, and with the advent of good weather it is hoped that the attendance will be materially increased.

## Ball Season Opens.

The home boys opened the season on the local grounds on last Friday afternoon with a splendid game with the C. U. Preps from Danville. The contest was a hot one and very interesting, the result being a victory for the home boys by a score of 4 to 2. The batteries were Lancaster, Doty and Tribble, C. U. Frank and Hahn, Umpire Stults. A deplorable feature of the game was the breaking of a leg of one of the Danville boys; young Bruce Montgomery, son of Dr. Montgomery of Danville, was playing third base, he had his leg placed out in a slanting position, when Currey Robinson in attempting to slide to third struck it with such force as to break it between the ankle and knee. The wounded boy was hurried to the hospital where he was attended by Drs. Kinnaird and Acton, who set the wound member. His father took him to the home in Danville in an automobile that night.

The home team had their measure taken on Monday by the strong T. S. S. team of Nicholasville, the score being 7 to 2 in favor of Nicholasville. Our boys are playing classy ball in view of the fact that they have very little practice, and too, they have some very light material on the team. "Babe" Lawson, who from his size looks like he should be on Hudson Frisbie's team, is nevertheless doing fine work in left field.

## Candidates Here Court Day.

Messrs E. V. Puryear of Danville and W. S. Burch of Stanford were in town Monday mingling with the court day crowd and presenting their respective claims for the Democratic nomination for Commonwealths Attorney of this district. Both of these gentlemen are well known and popular and will have many friends in the county, and whichever of them the people decide to honor with the nomination, they may rest assured, they will have nominated a strong candidate, and one who when elected will make an efficient officer.

## Ben Herndon Promoted.

Mr. Ben D. Herndon left on Tuesday morning for Danville, where he will proceed for a few days to acquaint himself with the duties of the position of Cashier in the office of Collector W. W. Wiseman, which position he will assume on May 1st, Mr. Herndon is conceded to be one of the most efficient men in the revenue service in the Eighth District, and the position which he is to take is a very important one and one which he is well qualified to fill in an acceptable manner.

The new position will necessitate the moving of Mr. Herndon and his family to Danville, and while we are sincerely sorry of his promotion, yet we are exceedingly sorry to have him leave Lancaster.

## Hogs High And Scarce.

There is probably the greatest scarcity of hogs ever known in the county. This fact is traceable to the scarcity and high price of feed during the past winter, and also to the ravages of disease, many farmers carrying a bunch of shoats through the winter in the hope of realizing a good price for them with the coming of spring, only to have the bunch wiped out by cholera. However, it will not be many years before the existence of cholera will be practically unknown in this locality, as ever year the farmers increase their precautions to guard against it, some of them having their herds inoculated in the fall of the year to guard against the disease, and the time is coming when all who would raise hogs will be compelled to resort to this method.

## Col. Chinn In Town.

Col Jack Chinn was in town Monday in the interest of his candidacy for the Democratic nomination for Congress from this district, and was a pleasant caller at the Record office. Col. Chinn tells us that he is especially strong in the recently admitted counties of Adair and Casey, that he was in Frankfort when the matter of their admittance was before the legislature, and in a speech before the committee having the matter in charge, strongly urged that they be admitted to the eighth district. Col. Chinn will at once begin an active and aggressive campaign throughout the district, and hopes to speak in every precinct. The gentleman has many friends of long standing in both this county and Madison and is making new ones every day and feels considerably encouraged with the outlook. Col. Chinn is the father of Messrs Morgan and George Chinn, who are two of the most prominent young Democratic politicians in Central Kentucky, the former having served as Clerk of the Court of Appeals and is now practicing law in Frankfort.

## A Record In Produce.

The local produce dealer, Mr. H. B. Northcott, tells us that the last week has been one unprecedented in the handling of produce in this county. During the week he tells us he bought and shipped 1350 cases, 40,000 dozen eggs, for which he paid on an average of 10 cents per dozen, bringing into the county in round numbers \$6400. He also shipped 1700 pounds of poultry for which he paid \$1800., making a grand total of \$8200. realized during the week for produce in Garrard county. Coming too at a time when there is but little on the farm to be sold, it is quite a windfall.

The time was when the chickens and eggs grown upon the farm were supposed to supply the housewives with "pin money", but these figures lead us to believe that of late the good ladies are either overstocked with pin money, or else the proceeds are finding their way into other channels. Anyway, we are inclined to the belief that it would be profitable to the farmers to give a little more of their attention to the poultry industry.

## 1635 Revised List Shows To Be Correct Number Of Persons Who Found A Watery Grave When Titanic Went Down.

The Carpathia has landed in New York with the survivors of the ill-fated steamer Titanic which was rent asunder and sunk by an iceberg while on her maiden trip across the Atlantic from Southampton to New York. The survivors tell harrowing tales of that awful night of terror, and but for the bravery of the officers of the ship and a few of the passengers, the fatalities would have been greater even than they were. Such men as Archibald Butt, John Jacob Astor, Captain Smith and his assistant chief officers, rose to the situation and managed by their firmness and intrepidity to see that the women were loaded into the life boats and removed a safe distance from the sinking ship. Captain Smith went down with his ship, as did Maj. Butt and Col. Astor. United States Congress is making a rigid investigation into the sinking of the vessel, with a view not only to place the blame, but to avoid such catastrophes in future, and while they have no jurisdiction in the matter, their findings will be reported to the British authorities with recommendations that they act in the matter.

## The Horse Show.

The Horse Show Monday, in point of numbers, could hardly be called up to the standard of previous years, but the lack of numbers was made up for by the quality of the stock on exhibition, and the vast crowd that assembled to see the exhibition was not disappointed. Walter Walker of Stanford had his famous "Carroll Preston", showing him to halter, and he was conceded by a host of admirers to be destined to win his way to the place of one of the leading sires in Central Kentucky. He also had "High Cloud", a big, bony dark bay, who gives promise of great things.

Mark Goins had Rex Helton, a peavine, by old Rex Peavine, and a classy animal himself, well known to Garrard county people and justly popular.

J. G. Cecil of Danville had the trotter "Chimewood" 38504, a horse of splendid appearance and breeding and with a splendid record, and he attracted much attention, and the horsemen of Garrard county were heard to express themselves favorably in his behalf.

Roy C. Schooler had "Bud Hall" another son of old Rex Peavine, and a worthy representative of the old and popular stock. The Peavines are justly popular in this county, and Mr. Schooler with such a popular horse is sure to come in for his share of the business.

Carroll Bailey came down from Crab Orchard with Old Preston, that splendid son of old Washington, who is too well known in this county to need a word of introduction from us.

Taylor Rainey showed Hill Squirrel under halter and also a pretty little pony "Diamond Dick," both of whom held their quota of admirers.

J. Nevin Carter of Stanford brought over an attractive peavine Kentucky Gentleman. Both Mr. Carter and his horse are well known and popular, and he expects good results from his show.

Messrs Cress & Parrish of Preachersville brought down a good three year Rex Mochi, this colt was sold as a yearling at the sale of Mr. T. B. Robinson in this county about two years ago, and gives promise of great things.

Raymond Hendren had his Kentucky Stonewall, another Peavine, and a good representative of that celebrated strain.

Lem Teater was showing Wilkes Boy a big boned dapple brown seven year old son of Sailor Boy and a direct descendant of the famous Wilkes strain.

Rue Duerson had a Peavine horse here that is no stranger to the people of the county.

R. L. Elkin was exhibiting Major C., the well known and beautiful pony and also a two year old son of Major C., both of whom were the delight of the lovers of these miniature horses.

Webb Rainey was here from Madison with "Shellbark," another attractive pony and attracted considerable attention.

Many regrets were heard at the absence of popular Dick Scudder with his All Peavine and Jordan Peacock, and W. C. Fitzpatrick with "Crestland." Both these gentlemen and their horses are very popular in Garrard county.

Mr. R. I. Burton of Bryantsville did not have his pretty little pony "Barlowe" in town but was passing around his cards.

## Kilker.

The following account of the death of Mrs. G. P. Kilker, a former Garrard county woman, who some fifteen years ago left this county for Texas. Mrs. Kilker with her family lived in the Paint Lick locality on the Copper Creek pike between Paint Lick and Cartersville.

"The sudden death of Mrs. G. P. Kilker, which occurred last night between 12 and 1 o'clock at her home on Austin avenue, was a severe shock to the members of the family and to friends. Mrs. Kilker was well and hearty at the supper hour last night and remained up until late bed time and never once complained of being ill. Between 12 and 1 o'clock she aroused Mr. Kilker by getting up and going out onto the gallery to get fresh air and when she returned to the room she sat down in a chair and her husband and son were fanning her when she passed away. Funeral arrangements have not been made, but interment will probably take place from the residence tomorrow afternoon following the arrival of the southbound Frisco.

The deceased was in her 48th year and had lived in Brownwood for some twelve or fourteen years. She was reared in Kentucky and married there. Hearing of the possibilities of wonderful Texas the family moved here, and made the trip with their children in a wagon. In due time they arrived in Brownwood, where they have made their home since.

Mrs. G. P. Kilker is the mother of seven children, all of whom are living. They are Buford Kilker of Mounds, Okla., Mrs. Urban Speck of Huston, Charlie Kilker of Oregon, Mrs. Joe Day, Forest, Lewis and Raymond of this city. As a friend and neighbor none have been better loved. Her gentle, loving disposition and untiring energy in administering to the wants of her friends has endeared her to them in a way that makes the parting a sad one. Hers was indeed a noble character and one that will be missed throughout the city.

Mrs. G. P. Kilker was a member of the First Presbyterian church and a woman who lived her religion everyday. As a neighbor the writer has seen her in every day life and knows that there are but a very few nobler characters. She was kind and indulgent almost to a fault and ever ready to sacrifice her pleasure for the happiness of others. Truly, Brownwood has lost a most estimable citizen in the death of this good woman."

One kidney remedy has known merit. Lancaster people rely upon it. That remedy is Doan's Kidney Pills. Lancaster testimony proves it reliable.

Mrs. J. W. Pumphrey, Danville St., Lancaster, Ky., says: "My experience with Doan's Kidney Pills leads me to say that they live up to the claims made for them. I suffered a great deal from backache and could not sleep well. On several occasions my back became so painful and weak that I was unable to attend to my housework. Being advised to give Doan's Kidney Pills a trial, I did so, procuring a supply at McRobert's Drug Store. They helped me from the first and I was soon relieved."

The above statement was given March 20, 1908 and when Mrs. Pumphrey was interviewed on February 6, 1912, she said: "Doan's Kidney Pills are a great medicine. They promptly relieved me and I gladly confirm what I said some years ago recommending them."

### Tinsley.

Mr. Homer Tinsley Sr. departed his  
life on the 17th inst at 3 o'clock in the  
afternoon at his home near Lancaster  
on the Poor Ridge pike. Mr. Tinsley's  
death was due to heart trouble, he  
summons coming without warning, he  
not having previously been ill or heard  
to complain. He had entered an out-  
house near his home, together with his  
son and brother, to avoid a shower of  
rain, when the rain had partially sub-  
sided the others left him and went to  
the house, and returning shortly after-  
ward, found him dead. His remains were  
placed at rest in the family bury-  
ing ground at his late home on the 18th  
inst. after short funeral ceremonies by  
Eld. F. M. Tindler.

Mr. Tinsley was born in Bedford  
county Va. on the 7th day of February  
1813. At the outbreak of the Civil  
War he cast his lot with the Confed-  
eracy, joining the 15th Va. Volunteer  
Infantry, Picketts division, Gen. Long-  
street's corps. Gen. Lee's command.  
his enlistment beginning in March 1861.  
He was twice wounded, once in a bat-  
tle between the cities of Richmond and  
Petersburg Va. and again in the battle  
of Gettysburg. He was mustered out  
at Appomattox in April 1865, but a few  
days previous to Lee's surrender. In  
the following Spring he emigrated to  
Howard Co., Missouri, and after a four  
years residence, in 1870, he went, in  
company with his brother Jerome, by  
wagon to Erath county Texas. Mr. Tins-  
ley was elected and served as Sheriff  
of this county for two years, and after  
his term expired, he and his brother  
purchased a herd of longhorns, drove  
them across the Staked Plains and up  
the Pecos river to Colfax county N. M.  
arriving there in the Fall of 1874.  
From this time until he came to Gar-  
rard county in the Fall of 1889, he re-  
mained in the West, in New Mexico  
and Colorado, where he and his brother  
owned a ranch and engaged extensively  
in the cattle business.

On March 15th 1881 he was married  
to Miss Ida Lee in Trinidad Colo, she  
being from his old home in Virginia.  
To this union was born one child, Mr.  
Homer Tinsley, now Surveyor of Gar-  
rard county.

A striking trait in the character of  
the deceased was the fidelity existing  
between him and his brother Jerome,  
they having been constant companions  
since their childhood, intimately as-  
sociated in all pursuits, both business  
and pleasure, and when Mr. Tinsley  
finally emigrated to Kentucky and pur-  
chased a farm with the expressed in-  
tention of spending his declining years  
thereon, his brother accompanied and  
has lived with him since. Mr. Tinsley  
is survived by his wife, his brother and  
son, all of whom reside at the Tinsley  
home.

Mr. Tinsley was of a retiring disposi-  
tion, and was not given to exploiting  
his past life upon all occasions, but  
when one became acquainted with him,  
he was an interesting conversationalist,  
a man of splendid education, firm in  
his convictions, he was one with whom  
it was a pleasure to associate. Gar-  
rard can boast of no better citizen than  
Mr. Tinsley, a kind and affectionate  
husband and father, a neighbor to  
whom all would turn when in search of  
a neighborly kindness, and a man who  
will be sadly missed, not only in his  
own locality, but throughout the en-  
tire county.

### Lancaster Boy A Poet.

The Record's young friend Mr.  
Harvey M. Estes, who is attending the  
Baptist Theological College in George-  
town Ky., is developing into somewhat  
of a poet. The following effusion from  
his pen upon the fate of the Titanic ap-  
peared in a recent issue of the George-  
town News:

### THE FATE OF THE TITANIC.

Our hearts were filled with wonder,  
When we chanced to see,  
Described in many a paper,  
That monster of the sea.  
We read of its great length,  
Its height into the air,  
And knew that none other  
Could with it compare.

Our hearts were filled with eagerness  
To read about the trip  
Made across the ocean.  
By such a mighty ship.  
But when with little patience  
For news we chanced to wait  
How much our hearts were saddened  
To learn "Titanic's" fate.

Our hearts are filled with sympathy  
For those to whom it gave  
Such unexpected grief.  
For friends in a watery grave.  
May the wise and loving Pilot,  
Who o'er life has all control  
Send the Spirit's wireless message  
For the comfort of each soul.

### A Genuine Hair Restorer.

Did you ever know of any hair preparation which would really grow hair  
and restore the color to gray or faded hair?

There are many preparations highly advertised to do the work, but it is  
probably your experience that none of them will really meet the claims of their  
manufacturers.

There are many so-called Hair Restorers which are nothing more than  
harmful chemical dyes, which do not grow any hair, the only result being that  
they dyed the hair, having no permanency and often causing a streaky appear-  
ance.

It has been the aim of the chemists for years to discover a preparation  
which would really grow hair and restore the color to gray or faded hair, but  
heretofore they have met with no success.

Prof. Rembler now claims to have discovered a combination of harmless veg-  
etable composition which is a Genuine Hair Restorer and will grow hair and  
does not contain any dye of any kind, but will positively restore the natural color  
and brilliancy to gray and faded hair.

This is a very strong statement to make and if any chemist without the  
recognized ability and national reputation of Prof. Rembler were to make this  
claim we would be inclined to be skeptical as to its truth. It will be remem-  
bered by readers that are familiar with scientific discoveries that Prof. Rem-  
bler was the inventor of the one fire process for gliding glass and also the Rem-  
bler wireless Coherer. Any statement made by Prof. Rembler is entitled to  
consideration as he would not make any statements which were not true and  
would injure his established reputation.

The Siloron Mfg. Co. of Pueblo, Colo., have purchased the exclusive  
American rights to manufacture Sagine, as they have named Prof. Rembler's  
invention, after having made a six month's test of Sagine and thoroughly de-  
monstrating that it would positively do the work. The Siloron Mfg. Co. have  
authorized us to make the following remarkable offer to all who need a "Genu-  
ine Hair Restorer."

They will send a written agreement with every bottle of Sagine, to the  
effect that if one bottle of Sagine conscientiously used according to the direc-  
tions does not give entire satisfaction to the purchaser; if Sagine does not ac-  
tually grow hair and restore the color to gray or faded hair, remove dandruff  
and make the hair healthy and glossy, that they will pay the sum of \$5 to any  
dissatisfied purchaser.

This is the strongest offer ever made by any manufacturer and one they  
could not possibly make if they did not know positively from experiment that it  
would do exactly what they claim for it. No one takes any chance in buying  
Sagine as it is certainly worth \$1 to use a Genuine Hair Restorer that will grow  
hair, and if it does not give satisfaction they will pay you the \$5 as agreed.  
Send a \$1 bill to The Siloron Mfg. Co. Pueblo, Colo., stating that you wish to  
purchase a bottle of Sagine with the written agreement to grow hair and re-  
store the color to gray or faded hair or pay you the sum of \$5 and it will be  
sent to you by express in plain wrapper.

The Siloron Mfg. Co. is incorporated under the Laws of the State of Colo-  
rado and refer you to the mercantile agencies or any Pueblo banks as to their  
ability to fulfill any agreement they make.

THE SILORON MFG CO., Pueblo, Colo.

## DEAFNESS CURED.

When Caused By Catarrh.

If you have ringing noises in your ears, catarrh germs are making their way from the nose to the ears through the tubes.

Many cases of deafness caused by catarrh have been cured by breathing HYOMEI. It reaches the inflamed membrane, heals the soreness and banishes catarrh, which is the cause of most deafness.

F. C. Vanaman, railroad conductor of Binghamton, N. Y. writes that he was cured of deafness after specialists had failed.

HYOMEI (pronounce it High-o-me) is guaranteed to cure catarrh, coughs, colds, asthma, croup, and sore throat, or money back. Complete outfit with inhaler \$1.00. Extra bottle 50 cents. Sold by R. E. McRoberts & Son, the enterprising pharmacist and druggists everywhere.

## In Desperate Mood.

"That prima donna has a voice like an angel's." "You think so," responded the impresario, resentfully. "Well, I don't know how an angel talks when things don't go to suit her. But if I thought they all sounded like this prima donna, I'd think twice before wanting to go to heaven."

## Doubly Blessed.

The mother of little Helen was one of twins. As the twin sisters lived quite a way apart, Helen did not see her aunt until she was about two years old. On first seeing her she was greatly puzzled over the resemblance of her mother and aunt, and after looking bewilderedly from one to the other finally exclaimed, "More mamma."

## His Real Friends.

"The people are trying to obtain a pardon for that man who was sent up for stealing a phonograph." "I suppose all his neighbors are signing his petition?" "Not at all. It is being signed by the neighbors of the people from whom he stole the phonograph."

Professional Bomb Throwers. The Chinese corps of trained bomb throwers reminds us that our own regiment of Grenadier guards takes its name from the grenades or small bombs which in early days they hurled at the enemy in an assault. And this primitive device is also commemorated in the flaming grenade emblem on the collars of their tunics.—London Chronicle.

## Clocks Worked by Air.

Fans actuated by currents of air have from time to time been used as motors for running clocks. One, by Lepaute, is in the Louvre, Paris. Benjamin Banks of Litchfield county, Connecticut, patented one in 1783. In a more recent patent the weight is wound up by the current of air in a chimney which is stopped by a self-acting brake as the weight nears the top of its course.

## It Helps!

Mrs. J. F. Daniels, of Sip, Ky., writes: "I was so sick for 3 or 4 years, I had to hire my work done, most of the time. I had given up hope. When I began to take Cardui, I knew, right away, it was helping me. Now, I am better than ever before in my life, and Cardui did it."

### Not Exciting.

Mrs. Stirling used to tell how, during a brief holiday to somewhere on the Clyde, being kept indoors by three wet days, Stirling read the Greek Testament continuously aloud to her, first in Greek and then in English. She was a truly religious woman, but she owned to being glad when the rain ceased.—Life of James H. Stirling.

### Newspaper Comes First.

Men may read the newspaper hurriedly, but they are never too hurried to read it. The newspaper covers interests that they cannot neglect. A magazine will safely bear neglect for a month or two. But nobody wants to overlook today's newspaper.—Printers' Ink.
